

Search Engine Optimization Specialist

We seek a passionate **SEO Specialist** to boost our e-commerce team! Position is ideal for those who love a fast-paced setting and want to stay ahead in SEO trends and its innovations.

Location: **Vilnius**

WHAT WILL YOU DO:

- Collaborate with our international team to implement growth strategies
- Work with a big scale content distribution and supervise content direction through keyword research and briefs.
- Focus on technical SEO aspects including addressing technical errors, adhering to best practices & optimizing website crawling.
- Implement effective on-page and off-page SEO strategies.

WHAT WE EXPECT FROM YOU:

- A year (or more) of hands-on SEO experience.
- Proficiency with SEO tools like Screaming Frog, Semrush, ahrefs, GSC, etc.
- A knack for keeping up with the latest Google algorithm updates and SEO trends.
- Excellent communication skills & a data-driven mindset.

WHAT WE'VE GOT FOR YOU:

- An exciting role with international exposure.
- Friendly, fun & pro team (with events, trips & parties!).
- 3+2 hybrid schedule & 1-month workation yearly.
- Birthday day off to celebrate your special day.
- Health insurance.
- Exclusive employee discounts on our gifts.
- Salary from 2000 Eur gross/month.

Are you ready to take your SEO career to the next level in an industry that brings joy to people's lives daily? Apply Now and be part of our international success story
